TO WHOM IT MAY CONCERN

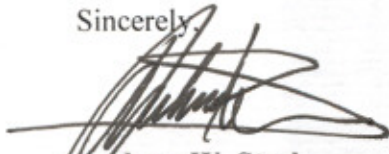

Greetings from New Delhi.

This letter is to serve as a reference for Amandah Jantzen and her recent tenure from December 05, 2006 until March 31st 2007.

She is a great performer and attracts a huge following amongst local as well as in-house guests. The wonderful thing about Amandah (a rarity in musicians these days) is her ability to interact with the guests and perform above and beyond the call of duty.

I am happy to confirm that we were entirely satisfied with her performance and have no hesitation in recommending her to any future employer and will be pleased to answer any questions on her behalf.

Sincerely,

Andrew W. Steele
General Manager
