Ref: Note of reference

To whom it may concern,

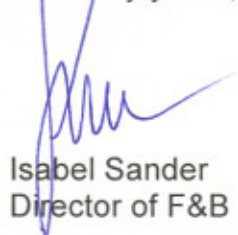

This note is to certify that Ms Amandah K Jantzen was performing as a vocalist/pianist in our Diplomat Lounge from October to December 2008.

Amandah has been extremely accommodating, flexible in schedule and happily took on additional events in other areas as required.

Her open minded demeanor and flexible portfolio made her performance enjoyable to our demanding clientele.

We wish Amandah the best of luck and thank her for her commitment.

Sincerely yours,

Isabel Sander
